There you stand
All I want is just to hold your hand
But I can't breathe
Your beauty's suffocating me
But I can't lie

You're a beautiful boy
You're a beautiful boy
You're a beautiful boy
You're the loveliest thing that I've ever seen

You can't see
The battlefield of broken hearts and tears you leave
See no stain
Blood and innocence go hand in hand
But I can't lie

You're a beautiful boy
You're a beautiful boy
You're a beautiful boy
You're the loveliest thing that I've ever seen

I can't lie anymore
In spite of you I will pass through your door
Boy boy boy boy boy boy
You're the loveliest thing

You're a beautiful boy
You're a beautiful boy
You're a beautiful boy
You're the loveliest thing that I've ever seen
You're the loveliest thing that I've ever seen
You're the loveliest thing I could ever claim
