You say you're sinking so fast and you're drowning in
waters of me
Feeling me all out touching currents so deep
But I feel your distance you've barely wet your feet
Cause it's me that's slipping under and you can't even
see

I'm drowning in you
What can I do
Cause I feel I'm going under
And I can't get free
Drowning in you
Deeper in blue
I can't fight against the tide
Closing in on me
Drowning in you

Swimming in the ocean and there's miles to the bottom
beneath
With me and you there's so many miles between
Treading these waters and I feel like I'm losing steam
Cause I can't fight what you don't feel I can't make you
see

I'm drowning in you
What can I do
Cause I feel I'm going under
And I can't get free
Drowning in you
Deeper in blue
I can't fight against the tide
Closing in on me

I can't fight this feeling anymore
When I know I can't have what I'm reaching for

I'm drowning in you
What can I do
Cause I feel I'm going under
And I can't get free
Drowning in you

Deeper in blue
I can't fight against the tide
Closing in on me
Drowning in you
