River is high
Breeze warm and dry
Perched on a limb
Jump in and swim

On your own
I'm glad to see you're on your own
And don't you know it suits you well
Cause loneliness is hard as hell
Scuba dive
I wanna learn to scuba dive
The ocean is so wild and free
It's something that I long to be

River is high
Breeze warm and dry
Perched on a limb
Jump in and swim

Crooked path
The world is such a crooked path
With stones and thorny memories
It's desperate when you're on your knees
But you can leave the land behind
Yeah you can leave the land behind
You're happy just to swim astray
And find your island far away

River is high
Breeze warm and dry
Perched on a limb
Jump in and swim

You can leave the land behind
Yeah you can leave the land behind
You're happy just to swim astray
And find your island far away

River is high
Breeze warm and dry
Perched on a limb

Jump in and swim
