(Feat. Cassidy)

Chinati on the track, bitch!
Count money fast on my money machine
Everybody on my team got a money machine
Big money schemes got us...
Which means that I need a lot of money machine

Count money fast on my money machine, money machine
I'm counting that clean like a money machine
Money machine, money machine,
The way I count cheese I'm a money machine
Who the hell gonna stop me, the... so rocky...
Found my own way, now you lames wanna copy
Can't copy greatness, money I got...
I got throw back though, you know...faces
Caught what I want, you suckers all talk
When it comes down to you you can't buy what I want
Fly by in the.. surfing overseas
Cause ..she ain't cost an extra hundred Gs
Yeah, you count it, what you... I doubt it
Think a bitch face see the cash in the pocket
I need the money machine for all the paper I see
..you don't get it like me
Spend it like me, win it like me
Yeah, I got dope, but so does the whole team
Fuck the whole team, I'm the man on this scene
The one that gotta use another money machine

Chorus:

Count money fast on my money machine
Everybody on my team got a money machine
Big money schemes got us...
Which means that I need a lot of money machine
My money machine, money machine
I'm counting that cream like a money machine
Yeah, money machine, money machine
The way I count cheese I'm a money machine

A hustler!

Ain't hard to make a hit
Everything I see you see
But I gotta pee the damn DJ the..
You can play my greatest hits...
You say that I ain't the greatest, you want some...
It made me rich but the industry gave me shit
we all boys feel the same way, but scared to say the
shit
I ain't counting my money, I just wait the shit
Take the white girl in the kitchen... the bitch
Yeah, I cut her up, I'm cutting her butt up
...I'm like pock her up!
I heard the laugh cause that's real funny
I'll be ... making a record deal money
Dummy, I'm from the street, keep a..
My diamonds is black like cats from the...
I'm a money machine when it comes to the...

Chorus:

Count money fast on my money machine
Everybody on my team got a money machine
Big money schemes got us...
Which means that I need a lot of money machine
My money machine, money machine
I'm counting that cream like a money machine
Yeah, money machine, money machine
The way I count cheese I'm a money machine
