I SEE THE MOON - 12/03/1954

5 + 1 week at #1 - 15 weeks on chart

Over the mountain over the sea
Back where my heart is longing to be
Please let the light that shines on me
Shine on the one I love

I see the moon the moon sees me
Down through the leaves of the old oak tree
(Please) Please let the light that shines on me
Shine on the one I love

Over the mountain over the sea
Back where my heart is longing to be
Please let the light that shines on me
Shine on the one I love

Let the little lady with the tambourine sing (Hee hee
hee)
I kissed the rose (no not yet)
I kissed the rose (no not yet)
I kissed the rose and the (no not yet, now)
I kissed the rose the rose kissed me
Fragrant as only a rose can be (sing a little louder
miss)
Please take the kiss (not too loud) that comforts me
Back to the one I love

(Everybody altogether)
Over the mountain over the sea
(Back where my heart) Back where my heart is longing
to be
(Please let the light) Please let the light that shines on
me
(Shine on the one I love) Shine on the one I love

(Everybody once again)
Over the mountain over the sea
Back where my heart is longing to be
Please let the light that shines on me

Shine on the one I love
