SHOTZI:

Sing, sisters,
Sing of the strange enemy boys,
Skulking through our forest. Awake! Sisters, arise!

BANSHEES: Who calls?

SHOTZI: Beware! Arise! Look alive! Beware! (etc.)

BANSHEES: (variously) Who calls? Who is calling?
Sing, sisters! Sing! What have you found?

SHOTZI:

Strange boys, Crude and intruding boys,
Rude little human boys - traipsing through our forest!

BANSHEES: (variously)

Sacrilege! Sacrilege! They must be punished!
We'll attack! We'll attack! Death to the humans!
Death to the heathen - the humans must die! (etc.)
Rosta la Diva sempre Divina Shosta suprema ridi
victoria!

SHOTZI:

Strangers in the forest
Vain little intruders who thought they'd elude us
They scorned and poo poo'd us,
those rude and foolish boys!

BANSHEES: They'll die! They'll die!
