SPACE PUNK:

Girl, you were just a dream  
A dream in my heart that I could not speak  
Like a song, sung from afar  
On a distant star that I dared not seek.

You are the girl of my dreams,  
I found the girl of my dreams  
And I know now I'll never let you go.

ELEANOR:

Oh, if I dared to dream the dream in my heart  
All I'd hope to see is a boy, pure, shy, and strong  
Like a gentle song to awaken me.  
You are the boy in my dream,  
I found the boy of my dreams  
And I know now I'll never let you go.

ELEANOR & SPACE PUNK:

Now, now you are mine,  
Now we are one and the dream is true  
And we'll never, never be afraid...

SPACE PUNK:

For as long as I'm with you there's no need to hide  
I will never never leave you now...

ELEANOR & SPACE PUNK:

I will stay by your side. I will stay by your side.
