ACK ACK:

It looks like the end of the line, old friend
Hopes are far between and few.
Your soul cries out for comfort now,
but your fears echo back at you.
Your hopes are gone, you can't go on,
and the outlook's black and blue
When there's absolutely nothing left,
there's just one thing to do...

HERBIE:

You've got to reach right down to the bottom of your
soul
Then you gotta reach a little more,
then you gotta reach a little more

ACK ACK:

You got to reach right down till you can't dig no deeper
Then you gotta dig a little more,
then you gotta reach a little more

RAZZLE:

When you're down at the bottom, well don't stop then!
Grab your dreams if you still got 'em and start over
again

ACK ACK:

You gotta go deeper and deeper till you hit that core!

HERBIE:

When you think you've given everything you've got

STARMITES:

You gotta give more! You gotta give more!
You got to be ready (etc.)!

[DIVA'S SPEECH]

DIVA:

You gotta reach right down to the bottom of your soul...
Reach right down to your soul

Go one more round,
Cause a sweet sweet dream never will die!
