I'm not trying to write it off
But I'm doing all I can
To take the slur out of my words
Yuo do your best to understand
I'm keeping you in mind
But I'm getting out of hand
When the medicine that keeps me well
Is settling I get easily distracted

It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do
It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna..

I'm gonna stand up and brush it off
I'll be come a better man
I've ben trying to explain myself
But no one understands
I think I'm getting out of line
But I'm keeping all my plans
My movements and my messages
Are all offset by my constant contradictions

It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do
It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna..

What am I gonna say
What do you do here in the moment
What do you say
What do you do
What do you mean

Its 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do

It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do
It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do
It's 7:00 and I'm already wasted
I'm 21 and I'm already hazy
What am I gonna.. what am I gonna do.
