THIS SONG IS BY ULTIMATE FAKEBOOK!

Its insane,
don't know why i came,
guess just to see you here,
but from far away,
all i see is him and i just move on.
This is crazy.
No dates,
for the prom you say,
as we both finally meet.
Then your smile fades
And i see in your eyes that it's all no fun.
Then you turn back to him
as a calm theme song comes on.

I'm still in love,
but im one of the
million hearts you'll some day break.
Close my eyes,
but still i won't give up.
Still i wont give up.
Nooo....

I wait,
in this dance floor haze,
suffer the silly suit,
just for one more gaze.
And I'm sneaking around like a fool
so dumb.
On a saturday night man,
is this what I've become?

I'm still in love,
but I'm one of the
million hearts you'll some day break.
Close my eyes,
but still i wont give up.
Still i wont give up
Nooooo....

And i know that i still don't believe it's true.
but i cant let you go,
and i dont know what to do.

I'm still in love,
but I'm one of the
million hearts you'll some day break.
Close my eyes,
but still i wont give up.
Still i wont give up
Nooooo....
