I can't wait for this to end,  
and leave tonight behind us  
I'm unsettled letting go of you  
and sleeping the night in silence  
And this Letdown falls along with me  
onto my bed while rolling over  
break my heart or break my fall;  
Don't kiss him and cover all  
the memories you had of me

The last time I saw you  
you were standing by his side  
The last time you saw me  
was through your closed eyes  
as I'm waiting by the phone

He loves you?  
Who loves you more, to let you go?  
He loves you?  
Who loves you more, to let you go?

I can't wait until my heart mends  
so I can finally go outside  
And I tell myself "Well, Ken  
its better to have lost love than  
paint a smile and pretend."

The last time I saw you  
you were standing by his side  
the last time you saw me  
was through your closed eyes  
as I waited by the phone

He loves you?  
Who loves you more, to let you go?  
He loves you?  
Who loves you more, to let you go?

The last time I saw you,  
You were standing by his side  
The last time you saw me

was in a crumpled photograph  
that missed the bin

He loves you?  
Who loves you more, to let you go?  
He loves you?  
Who loves you more, to let you go?
