This drowning sorrow is shaking me
more than it ever has before
The road signs reading bitter end
leave me suspect of a crime

The city air chokes me today
more than it ever has before
I'm nervous to feel deserved
by these street signs anymore

Are you
going to
be waiting up when I get home
we'll stay up all night
getting drunk and watching sunsets on our porch

I'm falling for you
I'm falling for you
I fell for you

I'm falling for you
I'm falling for you
I fell for you

These empty feelings question me
of who I think I've become
My mind is ticking life away
asking if you are the one

Are you
going to
be waiting up when I get home
we'll stay up all night
getting drunk and watching sunsets on our porch

I'm falling for you
I'm falling for you
I fell for you

I'm falling for you
I'm falling for you

I fell for you

I'm dying to explain my heart
to you now

I'm dying to explain my heart
to you now

there's so much on my mind it's tearing me apart
there's so much on my mind it's tearing me apart

I'm falling for you

I'm falling for you

I fell for you

I'm falling for you

I'm falling for you

I fell for you
