Does he say to be patient you tell her youll try?
(You're so beautiful, You're so beautiful)
or when you mention love does he say it takes time?
(You're so beautiful, You're so beautiful)
When your singing their song are you feeling just
right?
(You're so beautiful, You're so beautiful)
Well you're not alone tonight.

and its for the lovers, like me.
The ones who like falling asleep to a phone call from
that someone
and we have the lovliest dreams.
and its for the fighters like me, the ones that are
fighting to be
With that someone and forever love is real.
Is that how you feel?

Do you want the perfect things to say?
(You're so beautiful, You're so beautiful)
& has your timing always been just a little late?
(You're so beautiful, You're so beautiful)

Does everytime you see her make your day?
(You're so beautiful, You're so beautiful)
And are you a little afraid?
Do you think that everyone has it better?
(You're so beautiful, You're so beautiful)
Do you know that you've got so much love to give?
(You're so beautiful, You're so beautiful)
All in all just don't give up your time will come.
(You're so beautiful, You're so beautiful)
Like mine just did.

and its for the lovers, like me.
The ones who like falling asleep to a phone call from
that someone
and we have the lovliest dreams.
and its for the fighters like me, the ones that are
fighting to be
With that someone and forever love is real.
