You and I cold February night,  
it's been half an hour.  
Taking sweet time saying our goodbyes.  
One minute more.  
The best day of my life is all thanks to you.  
Precious remembrance saved for a rainy day on  
February.

Few scenes from my life or moments mean more to me  
than our fine night.  
I remember like yesterday the time of my life.  
Please don't leave me without saying good bye.  
Please don't leave me without saying good bye.  
(without saying goodbye)  
lets travel back in time

2/12/99 at the stroke of midnight.  
Holding you tight your body and mine, in February.

Few scenes from my life or moments mean more to me  
than our fine night.  
I remember like yesterday the time of my life.  
Please don't leave me without saying good bye.  
Please don't leave me without saying good bye.  
(without saying goodbye)  
Please don't leave me without saying good bye.  
Please don't leave me without saying good bye,  
Without saying goodbye.
