Today can be a different day  
If sky lifts up the haze  
Off of my front lawn

Or just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise  
In return for a sunset yeah  
Can I just be here one more day  
Until my sunburn fades away

I've asked a hundred times  
What's going on  
But it went through one ear  
And out the other one

Now can I take a palm tree home with me  
For the memory of you when I'm at home  
And I've been looking forward not back  
Vacation's everything we need

Can I sell this sunrise  
In return for a sunset yeah  
Can I just be here one more day  
Until my sunburn fades away  
I'm taking pictures of everything  
To remind me of that place that's so perfect for me  
I'm taking pictures of everything  
So go ahead and take this place away from me

Today can be another day  
When the sky lets up the haze  
Above my front lawn

Just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise

In return for a sunset yeah  
Can I just be here one more day  
Until my sunburn fades away

Can I sell this sunrise  
In return for a sunset yeah

Can I just be here one more day  
Until my sunburn fades away

Can I sell this sunrise  
In return for a sunset yeah

Can I just be here one more day  
Until my sunburn fades  
My sunburn fades away...
