North-bound train on a Saturday
Here I come, New York City
Been deep in thought on a little sleep
Distance took my love away

Do you need to love?
Do you need to love?
Do yo need to love someone?

I stare at strangers subtly
Reading and softly speaking
When Princeton boards one sits by me
Sir can I ask you something?

Do you need to love?
Do you need to love?
Do you ned to love someone?
Oh do you need?
Oh do you need?

Sometimes when there is noone to love you back
All the time, when you're in need and desperate to fall
asleep
Well ain't it wild? Though aren't you tired?
Oh Isn't it making you lose your mind?

Do you need to love?
Do you need to love?
Do you need to love?
Cause I think I need to love
Oh Do you need?
Do you need to love?
Do you need to love?
Do you need to love someone?
