looking in your eyes, i see a paradise
this world that i found is too good to be true
standing here beside you
i want so much to give you this love in my heart
that i'm feeling for you.

let them say we're crazy
i don't care about that
put your hand in my hand, baby, don't ever look back
let the world around us just fall apart
baby, we can make it if we're heart to heart

and we can build this dream together,
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us now

i'm so glad i found you,
i'm not gonna lose you
whatever it takes to stay here with you
take it to the good times,
see it through the bad times
whatever it takes is what i'm gonna do

let them say we're crazy
what do they know?
put your arms around me, baby, don't ever let go
let the world around us just fall apart
baby, we can make it if we're heart to heart

and we can build this dream together,
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us..

ohh. all that i need is you
and all that i ever need.

all that i want to do is hold you forever, forever and
ever

and we can build this dream together,
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us
and we can build this dream together,
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothings gonna stop us(nothings gonna stop us)
nothings gonna stop us now.
