I've never been so happy to see  
A photograph of me.  
Then when graced with your company.

You're making a small change  
To the way that you wear your heart.  
I like it better, I like it.  
I like it better now.

I'll swing from a streetlight  
As I will sing ohh-ohh-oh.  
And I'm stuck in the meantime  
And we're so ohh-ohh close.

I'll swing from a streetlight  
As I will sing ohh-ohh-oh.  
And I'm stuck in the meantime  
And we're so Ohh-ohh close.

The sunlight's overwhelming the scene.  
That's composed of you and me  
In our finest moment.  
An amazing illusion was made  
With trick photography.  
It's seems like you're really, you're really,  
It seems like you're really here.

I'll swing from a streetlight  
As I sing ohh-ohh-oh.  
And I'm stuck in the meantime  
But we're so ohh-ohh close.

I'll swing from a streetlight  
As I sing ohh-ohh-oh.  
And I'm stuck in the meantime  
And we're so Ohh-ohh close.

So close...  
So close...

I'll swing from a streetlight

As I sing ohh-ohh-oh.  
And I'm stuck in the meantime.  
We're so ohh-ohh close.

I'm grilled by your spotlights.  
I sing ohh-ohh-oh.  
And the thrill of the good fights.  
Is we're oh so, oh so close

Is we're oh so, oh so close.  
And we're oh so, oh so close.

I'll swing from a streetlight  
As I will sing ohh-ohh-oh.  
I'm stuck in the meantime  
And we're so ohh-ohh close.

I sing ohh-ohh-ohâ€¦  
I sing ohh-ohh-oh...
