I guess the most that I can do is make a call and tell
you the truth.
Sing the words, a melody and hope that you'll believe
me.
Here's another song for you so this one this one makes
2.
I still don't know where to begin.
I'll just leave it at this.

Chorus

I'm sure you always feel my eyes on you.
But I hope that you will never feel unwanted.

Wait for me to move out west.
It's okay if you don't
I hope you know ur my favorite thing about the west
coast.
I wish I stayed, I hope you wait.
So I here I am counting down the days till califonia
comes.

This is the least that I can do, now that I'm calling you.
The best way i can extent, the lonely words
