I've got stars in my great big sky
I shall gaze upon
Without leaving the small ones behind
Because they're harder to find
Some were satellites, others planes
Some were twinkling
While others were fading away
But they're all one of a kind

Ooo, it's not that interesting
But I'd like to keep it a secret
So I'll have something left to give

It's not that difficult when you've got a luck of this kind
We've gotta take advantage, We've got just limited
time
Oh, I wonder oh, I wonder
How long's it take me to die

Ooo, it's not that interesting
But I'd like to keep it a secret
So I'll have something left to give

And I'll hear my children and grandchildren sing
La la la la la la la la la la la la la la la
La la la la la la la la la la la la la la la

Ooo, it's not that interesting
But I'd like to keep it a secret
So I'll have something left to give

In my remaining years here
When I am old and gray, lazy
I'll have a little something left to give
To all of those who loved me so much
I'd like to return the favor
And have something left to give

And I'll hear my children and grandchildren sing
La la la la la la la la la la la la la la la
It's not that difficult when you've got a luck of this kind

La la la la la la la la la la la la la la la
To all those who loved me so much
I'd like to return the favor
La la la la la la la la la la la la la la la
I wonder, oh I wonder how long's it take me to die
La la la la la la la la la la la la la la la

Ooo, it's not that interesting
But I'd like to keep it a secret
And have something left to give
