Make a list
Top ten regrets
Most foolish things said
This is one time
I let you go
A story I'm sure you and I both know
Feelings won't let go
Having trouble spitting out what's going through my
head

How I feel today
The same as yesterday
Our one year anniversary
meant everything
I can't stand to see
our feelings anyway
Say hello, now awkward pause,
And on the way to leaving me.

You were the best thing that I ever had
And I want that back
You were the best thing that I ever, ever had
I ever had
and since we're on good terms,
thanks for everything

another letter saved
The one you wrote to me
Askin if I'd go with you to Horsham day
It's almost time to leave
Our anniversary
Keep in mind its picture time
My smile wasn't staged but anyway

You were the best thing that I ever had
And I want that back
You were the best thing that I ever, ever had
I ever had
And I want that back
and since we're on good terms,
Thanks for all the memories

Thanks for everything

You were the best thing that I ever had

And I want it back

You were the best thing that I ever ever had

And I want it back

Once again
