here it goes and this wont take long  
just let me dedicate a song  
to a girl who turned this boy to stone  
and you know who you are  
heres a hint, she doesnt have a car  
or the time to be in love with me

Why did you say  
this feeling has to stay  
left me to wait for so long

you dont have to stay  
but i hoped you would anyway  
all you did was up and go

Excuse me, but this wont take long  
im sorry for writing you this song  
but just what do you think you deserve

because when you had the chance for romance  
you burnt it at both ends  
i guess im not sorry in the least

What made you say  
this feeling has to stay  
breaking us up for so long

you dont have to stay  
but i hope you would anyway  
all you did was up and go

you dont have to go  
what makes you stay we'll never know  
all you do is up and go

up and go

up and go

what would make you stay  
up and go

what would make you stay  
i guess we'll never know  
i guess we'll never know  
i guess we'll never  
(up and go)

you dont have to stay  
but i hoped you would anyway  
all you do is up and go  
(up and go)

you dont have to go  
what makes you stay  
we'll never know  
(up and go)  
all you do is up and go

you didnt have to stay  
so you did it  
up'ed and went away  
(up and go)  
all you do is up and go

up and go...

i guess we'll never know (5X)
