Speed dance
Dance as if your hands were on fire
Speed dance
Shake your shirt like a hummingbird
Speed dance
Dance as if the floor was on fire
Speed dance
Shake your skirt like a hummingbird
Speed...

Speed dance
Dance as if your hands were on fire
Speed dance
Shake your shirt like a hummingbird
Speed dance
Dance as if the floor was on fire
Speed dance
Shake your skirt like a hummingbird
Speed dance

Well, there's an idiot
In all of us
It's a sight to set it free
There's an idiot
In all of us
And the biggest one is me

Speed dance
Dance as if your hands were on fire
Speed dance
Shake your shirt like a hummingbird
Speed dance
Dance as if the floor was on fire
Speed dance
Shake your skirt like a hummingbird
Speed dance
