

Rescuer

"Too Far Gone"

Visit "[Too Far Gone](#)" on MotoLyrics.com

Find a place to hide away, from the desolation we
create.
Lost sight of the love behind overwhelming fears built
up to block our view.
Of our community washing away with the waves of
selfishness.

Pushing further away from some semblance of
connection,
Giving into to the numbness of indifference.

Breeding hatred behind closed doors
Defeated and empty souls.

Us versus them has left this place broken from
complacency.

Pushing further away from some semblance of
connection,
Giving into to the numbness of indifference.
