All these faces look the same
But it's not you
There's smoke but not a flame
No, it's nothing like you

All I want is to see some sign
Maybe something to believe

Tell me I'm wrong
Tell me you want me
I can take anything
You can lay it on me
Lay it on me

Today is like the day before
Without you
The shadows lengthen on the floor
Without you

I am haunted by your sympathy
Will you tell me what it means?

Tell me I'm wrong
Tell me you want me
I can take anything
You can lay it on me
I can be strong
If you don't want me
Honesty's all I need
Just lay it on me

I believed that fate would save us
But time it heals the pain while it steals you away

Tell me I'm wrong
Tell me you want me
I can take anything
You can lay it on me
I can be strong
If you don't want me
Honesty's all I need

Just lay it on me
Just lay it on me
