

## Rescues, The "Matter Of Time"

You always get the last word  
You fly like a mockingbird  
Every time I get you cornered, you slip through my  
fingers, you do

When I'm trying to outrun you  
You won't leave me alone  
When I need you to be with me  
I end up on my own  
Oh, I wish that I could move you  
Faster, be still or rewind  
But it's a matter of time

My heart is a rubber band  
Strung out between your hands  
You gave me love but I wasn't ready then,  
And you took it back now that I am

When I'm trying to outrun you  
You won't leave me alone  
When I need you to be with me  
I end up on my own  
Oh, I wish that I could move you  
Faster, be still or rewind  
But it's a matter of time

My love, why can't we go back there?  
My fate, are we beyond repair?  
A year; it's not so far away  
Too late, can we start over again?  
If he could see, what he could be with me  
Me now, that I feel differently  
I've come, he'll see I've come around

When I'm trying to outrun you  
You won't leave me alone  
When I need you to be with me  
I end up on my own  
Oh, I wish that I could move you  
Faster, be still or rewind  
But it's a matter of time
