dark bodies floating in darkness
no sign of light ever given
imprisoned in a world without a memory
unconscious, or am i conscious?
cut from the heart i am part of
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness
and i saw my own face like a spark frozen in heaven

in dreams i see myself flying
closer to the sun, and i'm climbing
tried to touch the sun
but the brightness burned my eyes
unconscious, or am i conscious?
fell from the sky like a star
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness
and i saw my own face like a spark

dark
my life was so dark...
my mind was so dark...
everything was dark

unconscious, or am i conscious?
fell from the sky like a star
sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and loneliness
and i saw my own face like a spark frozen in heaven
dark bodies floating in darkness...
