I'm in conniptions for the final act you came here for
The one derivative you manage is the one I abhor
I need a minute to elimanate for everyone the Everyday
abusive things that you have done

Your impossible ego fuck is like a
Megalomaniacal tab on my tongue
And if you touch me I will rip you apart
I'll reach in and take a bite out of that
Bitch you call a heart...

I know why you blame me (yourself)
I know why you plague me (yourself)

I'm turning it around like a knife in the shell
I wanna understand why, but I'm hurting myself
I haven't seen a lotta reasons to stop it
I can't just drop it
I'm just a bastard, but at least I admit it
At least I admit it

I know why you blame me (yourself)
I know why you plague me (yourself)
(repeat to end)
