something told me to tell you
not to tell me what to do
i am what i fucking am
many have tried to change this man
life's always been an uphill fight
somethings i do you may not like
life's always been an uphill fight
somethings i do you may not like

something told me to tell you
don't give into me
something told me to tell you
don't give into me

WHY do you do the shit you do
i'm doin just what i do
NO not what i want to do
but what i've got to do, we're through
life's always been an uphill fight
somethings i do you may not like
life's always been an uphill fight
somethings i do you may not like

something told me to tell you
don't give into me
something told me to tell you
don't give into me

something told me to tell you
not to tell me what to do
i am what i fucking am
many have tried to change this man
life's always been an uphill fight
somethings i do you may not like
life's always been an uphill fight
somethings i do you may not like

something told me to tell you
don't give into me
something told me to tell you
don't give into me

i'm sick of this shit
i'm sick of this shit
i'm sick of this shit, motherfucker
i'm sick of this shit
i'm sick of this shit
i'm sick of your shit

I'm out of my mind and your driveing me crazy

dont give into me
dont give into me
dont give into me
dont give into me

It's not the same, It's not the same
somethings are not the same anymore

something told me to tell you
don't give into me
something told me to tell you
don't give into me
