Just come?n dance with me baby  
Put your best dress on  
Cause tonight i?m gonna take you away  
Konya wa kimi wo shinju ni shiyou  
We can dance our cares away  
Karei na doresu matoi ai ni kite  
Yami nante tori haratte shimaou  
Yume no you na yuki ni futari somarou  
We can dance our cares away, away

Baby suteki na basho he tsurete tte ageru  
Kimi ga motto kagayaki masu you ni cause baby  
Mai odorasetai ai to hane ga aru  
Kono omoi, uke tomete

Because tonight hitorikiri ja dekinai  
Yorokobi wo kimi to kanjitai yo

So just come?n dance with me baby  
Put your best dress on  
Cause tonight i?m gonna take you away
