Everyone came around here  
Everyone else got sick  
And watched the clock tickin' slowly  
Everyone knew the ending  
Opened a bag of tricks  
And stumbled over their own  
They blew minds away  
Sort of the crippin just like thunder  
And it's gone today  
I'm so happy that it's on

It's the end of the world

Well it's far away  
In a hurricane, twisting slowly  
Now it's gone today  
I'm so happy that it's on

It's the end of the world

My world, my love, my gun

Now I'm all alone  
Kept the pain inside  
Wanna torch the world  
Cause I'm breathin fire

My world, my love, my gun
