Laid to the river
Midsummer, I waved
A "V" of black swans
On with hope to the grave
And through Red September
With skies fire-paved
I begged you appear
Like a thorn for the holy ones

Cold was my soul
Untold was the pain
I faced when you left me
A rose in the rain....
So I swore to the razor
That never, enchained
Would your dark nails of faith
Be pushed through my veins again

Bared on your tomb
I'm a prayer for your loneliness
And would you ever soon
Come above onto me?
For once upon a time
From the binds of your loneliness
I could always find the right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discolours all with tunnel vision

Sunsetter...
Nymphetamine

Sick and weak from my condition
This lust, this vampyric addiction
To Her alone in full submission

None better...
Nymphetamine

Nymphetamine, Nymphetamine

Nymphetamine girl
Nymphetamine, Nymphetamine
My Nymphetamine girl

Wracked with your charm
I am circled like prey
Back in the forest
Where whispers persuade
More sugar trails
More white lady laid
Than pillars of salt...

Fold to my arms
Hold their mesmeric sway
And dance her to the moon
As we did in those golden days

Christening stars
I remember the way
We were needle and spoon
Mislaid in the burning hay

Bared on your tomb
I'm a prayer for your loneliness
And would you ever soon
Come above onto me?
For once upon a time
From the binds of your loneliness
I could always find the right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discolours all with tunnel vision

Sunsetter...
Nymphetamine

Sick and weak from my condition
This lust, this vampyric addiction
To Her alone in full submission

None better...
Nymphetamine

Nymphetamine, Nymphetamine
Nymphetamine girl
Nymphetamine, Nymphetamine
My Nymphetamine girl
