You and I were meant for one another
Today will join our hearts eternally
And this moment I-I'll always remember
All the words that mean so much to me

And you're my only love
My only love
And I just thank the Lord above
For me livin' each day
I can't believe the way I feel
You're so special
You're so real
And I know you'll always be
My only love

Listen closely to-oo the words I'm sayi-i-in'
I know I never meant them more-ore
For your love only, I've been prayin'
You and I are what this love is for...

And you're my only love
My only love
And I just thank the Lord above
For me livin' each day
I can't believe the way I feel
You're so special
You're so real
And I know you'll always be
My only lo-ove

I know you'll always be
My o-only-y lo-O-o-O-ove
