"Easy Come Easy Go"

If you start to feel like there's no time to waste, baby try
to let go

There's nothin' that strong, can't break your heart

Easy come easy go

And the only, only, only way to find it

Is if you're not diggin' too deep, though it's easier said
than done

You've got to feel it in your blood

Play the game like you've already won

And you'll only, only, only own it when you say

Easy come easy go, this won't break my heart, don't
you know?

Sometimes high, sometimes low, easy come, easy go,
yeah!

You fell in the trap that won't let you win, you try again
and again

You let the heat burn your feet

Baby try to understand

That you'll only, only, only own it when you say

Easy come easy go, this won't break my heart, don't
you know?

Sometimes high, sometimes low, easy come easy go

So if you start to feel like there's no time to waste, baby
try to let go

Oh there's nothin' so strong, can't break your heart

Sometimes high, sometimes low

And you'll only, only, only own it when you say

Easy come easy go, this won't break my heart, don't
you know?

I said, sometimes high, sometimes low, easy come
easy go

Sometimes high, sometimes low, easy come easy go,
let's go!

Easy come easy go

If you're not diggin' too deep

Easy come, easy go
Easy come easy go
Easy come easy go
