I hear the tickin' on the clock
Countin' every day, I've been alone
How long before you're comin' back?
If I don't see your face, I'll turn to stone

Can't keep holdin' on this way
Can't go on another day
Can't you hear me when I say, girl I'm

Hungry for your love, girl I'm hungry
Baby let me in
Hungry for your love
Hungry, I can't get enough

Your love's the color of my heart
When I look in your eyes, everything's so clear
So still together when we're apart
I begin to die unless you're here

I can't keep holdin' on this way
I can't go on another day
Can't you hear me when I say, girl I'm

Hungry for your love
Girl I'm hungry, baby let me in
Hungry for your love
Hungry, I can't get enough

I lie awake all night, I can't stop rememberin'
You've got to make it right, I can't hold it in

Hungry
I hear the tickin' on the clock
Countin' every day, I've been alone, hungry

I'm hungry for your love
Girl I'm hungry, I can't let go
Hungry, for your skin
Hungry, baby let me in

Hungry for your love, hungry
Oh hungry for your love, hungry

Oh hungry
