I saw sparks fly, from the corner of my eye  
And when I turned, it was love at first sight  
I said, please excuse me, I didn't catch your name  
Oh, it'd be a shame not to see you again

And just when I thought, she was comin' to my door  
She whispered sweet and brought me to the floor, she  
said  
I'm only seventeen but I'll show you love like you've  
never seen  
She's only seventeen, daddy says she's too young  
But she's old enough for me

Come to my place, we can talk it over  
Oh, everything going down in your head  
She said take it easy, I need some time  
Time to work it out, to make you mine

And just when I thought, she was comin' to my door  
She whispered sweet and brought me to the floor, she  
said  
I'm only seventeen, you ain't seen love, ain't seen  
nothing like me  
She's only seventeen, seventeen

Such a bad girl, loves to work me overtime  
Feels good, dancin' close to the borderline  
She's a magic mountain, she's a leather glove  
Oh, she's my soul, it must be love

She's only seventeen  
Still she gives me love, like I've never seen  
She's only seventeen

Daddy says she's too young  
But she's old enough for me  
She's everything I need, daddy says she's too young  
But she's old enough, old enough for me
