You are the saint, I am the sinner

Do you really believe
That I can't see inside your cold heart?
I have witnessed you
Now let the truth be a light in the dark

Yeah, I can see so clearly
Right through your crying, there's no denying
You point the finger, cast the first stone
Knowing you're guilty you're
Still blaming me, saying

You are the saint I am the sinner
You laugh as my heart turns to stone
You are the saint I am the sinner
Prey till my flesh hits the bone

You love watching the blood from my soul
Dripping off of your hands
But like the rising sun your reflection will come
Put you up on the stand

Yeah, I can see so clearly
Right through your crying, there's no denying
You point the finger from up on your throne
You promise, you wink, you honestly think that

You are the saint I am the sinner
You laugh as my heart turns to stone
You are the saint I am the sinner
Prey till my flesh hits the bone

Hey, na, na, na, na, na, na
No, no, no, no, no, no, no, no
Na, na, nay, na, na, nay
Na, na, na, nay, eh, yeah

Soon to your demon you will be a slave
Watching these words but until that day

You are the saint I am the sinner

You laugh as my heart turns to stone
You are the saint I am the sinner
Prey till my flesh hits the bone

You are the saint I am the sinner
You laugh as my heart turns to stone
You are the saint I am the sinner

You are the saint
No, no, no
You are the sinner
You are the sinner
