I fell in love with a hippo  
what was her name i did not know  
the one that left me open-jawed  
she played my game so i applaud

I fell in love with a hippo  
the one that wouldnt let me go  
it looks as though im here to stay  
i pray love never goes away

ooo

#### CHORUS

The next time you fall in love  
I hope its with someone lonely  
The next time you fall in love  
I hope you love the way the hippo showed me

I fell in love with a chimpanzee  
she couldnt take her eyes off me  
I hope she knows just how i feel  
I slipped on her banana peel

I fell in love with a chimpanzee  
I climbed up her banana tree  
she feels so good right by my side  
she feels so good cause she is mine

ooo

#### CHORUS

#### BRIDGE

Now who really cares  
who looks and who stares  
when you're out with your lover  
your significant other?

#### FIRST VERSE

#### CHORUS
