I got my mind up in Boston, crossin' back from Austin
Fifty more tossed in, calling so often
Gone from the alley, Cali to the valley
Bronx to the Bowery, flyin' out to Maui
Up and down the highway, Monday to Friday
Sat 'day to Sunday, everyday a fly day
Fly from a city to a town then I'm gone
Always on the road cause my records full blown
Livin' out my bag but I'm never missin' home
Papa was a rocker and I'm like a rollin' stone
Got another call, "Yo it's time for the show!"
Got my mind on the road and yo it's time to go!

Chorus

It's time for the show!
Got my mind on the road!
Yo, got my mind on the road and yo it's time to go!

Life like I'm dazin', days after days in
Comin' from a place that ain't just amazin'
Off to the right and bright light tonight
Take a flight, shows tight, so hype and alright
It's been like I'm dreamin', people just screamin'
A rhyme that I wrote that was dope they was fiendin'
Lines 'round the corner TV's and phoners
Covers of your favorite magazines was a bonus
Road was just callin', flows was just fallin'
Record after record after rhyme I was bowlin'
Got to get the show cause Joe is on the flow
Got my mind on the road and yo it's time to go!

Chorus

It's time for the show!
Got my mind on the road!
Yo, got my mind on the road and yo it's time to go!

Gotta flight for tonight and I'm ready to roll
All my homies checkin' for me and I'm ready to go
All the people wanna see me cause I'm killin' the show
All the rockers wanna be me cause I'm gettin' the
dough

Now Rev's hall of famin', left as I came in
Gotta go again cause fans want my game in
Top priority, Rev's seniority, goin' on the road
Cause it's my priority, OH.....

Chorus

It's time for the show!

Got my mind on the road!

Yo, got my mind on the road and yo it's time to go!
