Reverend F.C. Barnes & Company
"Don't Worry"

I want you to know
That a few years ago
I thought things were going well
But Satan, he came in,
To interrupt my plan
That's when things became too bad

But He told me,
Keep on living right
Keep walking in the light
Don't worry, it will be alright

Don't worry when things go wrong
God will help you if you go on
Keep on living right
Keep walking in the light
Don't worry, it will be alright

I have simply failed
I weren't feeling well
But I tried so hard to carry on
I lost my appetite
I couldn't sleep at night
Sometimes I was left all alone

But He told me,
To keep on living right
Keep walking in the light
Don't worry, it will be alright

Don't worry when things go wrong
God will help you if you go on
Keep on living right
Keep walking in the light
Don't worry, it will be alright

I want you to know
That Jesus loves me so
No matter what others have in mind
He took me by my hand
Said, Son, understand

I'll be yours and you'll be Mine

He told me,
Keep on living right
Keep walking in the light
Don't worry, it will be alright

Don't worry when things go wrong
God will help you if you go on
Keep on living right
Keep walking in the light
Don't worry, it will be alright
