It's me again Lord
With a prayer
I need an answer
(It's me)
It's me again Lord
(I have a problem)
With a problem
I cannot solve

I don't need to bother You
I got something that I must do
I need Your help
To go through
It's me again Lord
(Nobody but me)
It's me again Lord

It's me again Lord
With a prayer
I need an answer
(Nobody but me Lord)
It's me again Lord
(I have a problem)
With a problem
I cannot solve

I don't need to bother You
I got something that I must do
I need Your help
To go through
It's me again Lord
(Nobody but me Lord)
It's me again Lord

It's me again Lord
With a pain
I need Your healing
It's me again Lord
With a burden
I cannot bear
As I cope from day to day

Keep me Lord lest I stray
I need Your help everyday
It's me again Lord
It's me again Lord

It's me again Lord
With a prayer
I need an answer
(Nobody but me Lord)
It's me again Lord
(I have a problem)
With a problem
I cannot solve

(Lord) I don't need to bother You
I got something that I must do
I need Your help
To go through
It's me again Lord
(Nobody but me Lord)
It's me again Lord

It's me again Lord
With a door
I cannot open
It's me again Lord
Will you please
Open it for me?
There are hills
That I have to climb
In Your word
Your help I find
I need Your help
All the time
(Nobody but me Lord)
It's me again Lord
(Calling on you Jesus)

It's me again Lord

It's me again Lord
With a prayer
I need an answer
It's me again Lord
(I have a problem)
With a problem
I cannot solve

(Lord) I don't need to bother You
I got something that I must do
I need Your help

To go through
I need Your help
To go through
I need Your help
To go through
It's me again Lord
It's me again Lord
