"Dear Friend"

Visit "[Dear Friend](#)" on MotoLyrics.com

Dear friend, what's the time?
Is this really the borderline?
Does it really mean so much to you?
Are you afraid, or is it true?
Dear friend, throw the wine,
I'm in love with a friend of mine.
Really truly, young and newly wed.
Are you a fool, or is it true?

Are you afraid, or is it true?

Dear friend, what's the time?
Is this really the borderline?
Does it really mean so much to you?
Are you afraid, or is it true?
Dear friend, throw the wine,
I'm in love with a friend of mine.
Really truly, young and newly wed.
Are you a fool, or is it true?

Are you afraid, or is it true?
