I got a little woman I can really love,
My woman fit me like a little glove.
You know I'll always love
My little woman love.
I take her home most evr'y night,
My woman love to hold me tight.
You know I feel alright
My little woman mine.

Oh yeah, oh yeah,
Oh, oh, oh, oh, oh, oh.
Oh yeah, oh yeah,
Oh, oh, oh, oh, oh, oh.

I take her home most evr'y night,
My woman love to hold me tight.
You know I feel alright,
My little woman mine.
