What's wrong with you ? I wish I knew  
You say time will tell, I hope that's true  
There's more to life than blues and reds  
I say, I know how you feel, now your friends are dead.  
Dead on your feet, you won't get far  
If you keep on sticking your hand in the medicine jar.  
Now don't give up whatever you do  
You say time will tell, I hope that's true  
If you go down and lose your head  
I say, I know how you feel, now your friends are dead.  
What can I do ? I can't let go  
You say time will heal but very slow  
So don't forget the things you said  
I say I know how you feel now your friends are dead
