Only one more kiss  
I didn't mean to hurt you little girl  
Let's make it one to remember  
Only one more kiss

I said a foolish thing last night  
I didn't think you'd take it bad  
But now I'm on my way again  
And just before I go

Only one more kiss  
I didn't mean to hurt you little girl  
Let's make it one to remember  
Only one more kiss

(guitar)

Only one more kiss  
I didn't mean to hurt you little girl  
Let's make it one to remember  
Only one more kiss

Somebody's built a home for us  
Some day we'll see it standing there  
But like the wind that has to blow  
I must be on my way

Only one more kiss  
I didn't mean to hurt you little girl  
Let's make it one to remember  
Only one more kiss

Well only one more kiss
