What that man holding in his hand ?
He looks a lot like a guy I knew way back
When it's silly willy with the Philly band
Could be Oo - ee
what's that man movin' cross the stage ?
It looks a lot like the one used by Jimmy Page
it's like a relic from a different age
Could be Oo - ee
If there's a ROCK SHOW at the Concertgebouw
They've got long hair at the Madison Square
You've got Rock and Roll at the Hollywood
We'll be there Oh yeah
The lights go down - they're back in town O.K.
Behind the rtracks you glimpse an axe
The tension mounts you score an ounce Ole !
Temperatures rise as you see the white of their eyes
If there's a ROCK SHOW
In my green metal suit I'm preparing to shoot up the
City
And the ring at the end of my nose makes me look
rather pretty
it's a pity there's nobody here to witness the end
Save for my dear old friend and confidante -
Mademoiselle Kitty
what's the man movin' to and fro ?
That decibel meter doesn't seem to be reading low.
But they was louder at the Rainbow
Could be Oo - ee
