We're so sorry, Uncle Albert  
We're so sorry if we caused you any pain  
We're so sorry, Uncle Albert  
But there's no one left at home, and I believe I'm gonna  
rain

We're so sorry, but we haven't heard a thing all day  
We're so sorry, Uncle Albert  
But if anything should happen, we'll be sure to give a  
ring

We're so sorry, Uncle Albert  
But we haven't done a bloody thing all day  
We're so sorry, Uncle Albert  
But the kettle's on the boil, and we're so easily called  
away

Hands across the water, water  
Heads across the sky  
Hands across the water, water  
Heads across the sky

Admiral Halsey notified me  
He had to have a berth or he couldn't get to sea  
I had another look and I had a cup of tea  
And butter pie  
(A butter pie?)  
The butter wouldn't melt, so I put it in a pie

Hands across the water, water  
Heads across the sky  
Hands across the water, water  
Heads across the sky

Live a little, be a gypsy  
Get around (Get around)  
Get your feet up off the ground  
Live a little, get around

Live a little, be a gypsy  
Get around (Get around)  
Get your feet up off the ground

Live a little, get around

Hands across the water, water

Heads across the sky

Hands across the water, water

Heads across the sky
