Hey!

You've got a bad reputation that's a what you got
A bad reputation but I like it a lot
A bad reputation and it's all over town
A bad reputation and it's going around

A bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to meet

You've got bright red lips and a pretty face
A rose tattooed in a private place
Spiked high heels and a wiggle in your walk
Makin' everyone in this big city talk

A bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to meet

You've got bleached blonde hair and a tight boustia
Ain't no wonder all the people say
You're the sweetest thing any man could see
So come on over here and be sweet on me

A bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kind of girl I'd like to eat

A bad reputation (bad reputation!)
A bad reputation (bad reputation!)
You're a bad little chick and that's the word on the street
You're the kinda girl I'd like to meet
You're the kinda girl I'd like to eat
