I'm the baddest of the bad
Since you've been gone,
The baddest of the bad,
Since you've been gone.

I lay around here
And I just drink beer
The baddest of the bad,
Since you've been gone.

Everything is bad including me,
But being bad is good policy,
It protects me from your past,
'till your memory's gone at last
Everything is bad including me.

Young girls and gin may be the cure,
Young girls and gin may be the cure,
I'm talking just as good as you stay pure,
Young girls and gin may be the cure.

I'm the baddest of the bad
Since you've been gone,
The baddest of the bad,
Since you've been gone.

I lay around here
And I just drink beer
The baddest of the bad,
Since you've been gone.

The baddest of the bad,
Since you've been gone.
The baddest of the bad,
Since you've been gone.
