I got a red car with blue tail lights
Shiny red seats with lining in white
Leopard skin dash with a louvered hood
She goes ba-ba-ba-ba-ba-ba when she's runnin' good

Lets go ride into the mountains above
It's low
My big red rocket of love
My big red rocket of love

I got a little honey you just got to know
Drivin' this bomb as fast it will go
Drive the red rocket past the local dive
She goes ba-ba-ba-ba-ba-ba-ba in overdrive

Lets go ride into the mountains above
It's low
My big red rocket of love
My big red rocket of love

Horny Little baby in my back seat
Pull my velveteen curtain with pleats
Pick a little spot were no one will be
Ma-ma-ma-ma-ma-make love to me

Lets go ride into the mountains above
It's low
My big red rocket of love
My big red rocket of love
My big red rocket of love
My big red rocket of love
